

# Childwall Valley Primary School

## Spanish Policy 2021-22

**“Easy is boring, Challenge is fun!”**

## **SPANISH POLICY**

### **INTENT**

The intention of the Spanish curriculum at Childwall Valley Primary School is that children are taught to develop an interest in learning other languages in a way that is enjoyable and stimulating. We strive to stimulate and encourage children's curiosity about languages from Nursery through to Year 6. We help children develop their awareness of cultural differences in other countries. We strive to embed the skills of listening, speaking, reading and writing skills necessary to enable children to use and apply their Spanish learning in a variety of contexts and lay the foundations for future learning.

### **IMPLEMENTATION**

Our MFL curriculum is designed to progressively develop children's skills in languages through weekly 30 minute lessons led by our foreign languages tutor from School Improvement Liverpool. Children progressively acquire, use and apply a growing bank of vocabulary and have a personal dictionary that moves up through the school with them. Children are encouraged and supported to develop their speaking and listening skills through conversational work, singing activities and games. As confidence and skills grow, children record their learning in a personal Spanish Journal.

We use the Spanish scheme from School Improvement Liverpool (SIL) and the subject leader takes part in Spanish Subject Coordinator briefings and the staff team have weekly CPD by taking part in the Spanish sessions.

### **IMPACT**

Children are assessed according to age-related expectations inline with the National Curriculum requirements. We will measure impact through learning walks, book scrutiny and pupil/teacher voice. The subject leader has termly subject monitoring time to evaluate impact and assess pupils' learning.
