

Dear Parents and Carers,

Re: Emergency Lock Down Procedure

As you may be aware, all schools have to have a lockdown procedure in place in case of emergency.

We will practice the procedure at least annually with children so that they would know what to do should we ever need to use lockdown. This is done sensitively with children so as not to cause any distress, in the same way that school would practice the Fire Evacuation Procedure.

Lockdown procedures are important and would be used in response to an internal or external incident which could be a threat to the safety of staff and children in the school.

Lockdown procedures may be activated in response to any number of situations, these may be:

1. A reported incident, disturbance in the local community
2. An intruder on the site
3. A warning being received regarding a local risk of air pollution (smoke plume, gas cloud etc.)
4. A major fire in the vicinity of the school
5. The close proximity of a dangerous dog

Our procedure aims to minimise disruption to the learning environment whilst ensuring the safety of all pupils and staff. There is guidance for parents in our procedures that we would like to share:

If necessary, parents/carers will be notified as soon as practicable to do so via the school's established communication network. For us this will be via ClassDojo, Tapestry and email. You will be informed that there is a lockdown situation and you will be given enough information about what will happen so that you are reassured that everything possible is being done to ensure your child's safety:

- ***you should not contact the school as this will tie up the phone lines;***
- ***you should not attend school as this could interfere with the emergency services access to school and they may put themselves in danger;***
- ***you should wait for the school to contact you about when it is safe to collect your child/ren.***

Pupils will not be released to parents during a lockdown.

Hopefully, we will never have a situation where we would need to use lockdown but we all feel safer knowing that we have procedures in place for any eventuality that would keep our children safe.

Kind regards,

Mrs S Evans

Deputy Headteacher & Safeguarding lead
